RFP Release Date:

Partner4Work (TRWIB, Inc.) is an
equal opportunity employer.

Auxiliary aids and services are available upon request to persons with
disabilities.

Partner4Work is excited to partner with community organizations that will help us promote the Learn & Earn Summer Youth Employment to eligible teens and young adults in Pittsburgh and Allegheny County.

Learn & Earn Overview

Since 2015, Learn & Earn has been the region's leading summer jobs program for young adults. Learn & Earn is open to City of Pittsburgh and/or Allegheny County residents who will be at least 14, and no older than 21, as of June 19, 2017, and who meet income requirements. Selected youth will participate in paid work and training opportunities for a six-week period beginning June 19 and ending August 4, 2017. Learn & Earn is operated in partnership between Partner4Work, the City of Pittsburgh, and Allegheny County.

How can you partner with us?

Are you located in walking distance from a bus line? Do you have a caring and resourceful staff with a genuine passion for helping youth connect to opportunities? Are you a community gathering place with existing relationships with youth and families? If so, we need partners like you!

We are seeking community-based organizations to provide outreach, technology and staff support to help youth complete the online application for the Learn & Earn program.

What Does an Application Support Site Do?

Application Support Sites are expected to:

- (1) Serve as an Application Support Site with access to computers, scanners, and a high quality internet connection during the application period.
- (2) Be located in Allegheny County – Partner4Work will choose organizations that are equally distributed with a focus on economically disadvantaged neighborhoods.
- (3) Help us recruit youth to apply!
- (4) Learn about the program requirements and eligibility so you can assist youth in applying. Don't worry: We will offer a mandatory training so you know how to work the application and answer questions.
- (5) Help youth figure out if they are eligible (This is where that mandatory training will come in handy.)
- (6) Help youth set up an online account and complete the application, including all those eligibility documents you learned about at our training. You can use computers, I pads or other mobile devices.
- (7) Help us keep youth on track and finish the application. When someone forgets a form, give them a call, reach out and get them back in there to finish the application.
- (8) Make sure youth know how to get updates on their application status. **Spread the word about your hours. We will help you do this as well, but the more outreach, the better!**

When Does this Happen?

The online application for the Learn & Earn Summer Youth Employment Program 2017 is planned to open April 1, 2017 for a seven-week time period ending May 20, 2017. It's possible we may choose to extend the deadline by a week or two depending on how many slots and applications we have, so your willingness to keep your site open is very helpful.

It's important for sites to be accessible for youth and we have figured out that means being open:

- at least three days during the week (9:00 AM to 6:00 PM) for each week of the application period; and
- two additional Saturdays (10:00 AM to 2:00 PM) during the application period; and
- at least three weekday evenings (6:00 – 8:00 PM) during the application period

How Much Are Application Support Sites Paid?

Application Support Sites will receive \$5,000 for the provision of the services outlined above. Organizations will be reimbursed after receipt of invoice at the conclusion of the application period.

Interested in little friendly competition? The application site that generates the most completed eligible applications¹ will receive an additional \$2,000 award. That's \$2,000 of unrestricted funding!

Who can apply?

Organizations located in Allegheny County that are equipped with computers and/or mobile devices, and have the space and staff to help larger groups of youth are encouraged to apply. Preference will be given to organizations that have a proven track record of working with youth ages 14-21 and that are located in close proximity to public transportation. These may include non-profits, schools, libraries, government offices and other types of organizations that meet the application criteria.

How to Apply

Proposals must be submitted by Friday, March 3, 2017 at 5:00 PM to summer@partner4work.org. Late or incomplete proposals will not be considered. Emails should have the subject line "[Organization name] Learn & Earn Application Support Center Proposal." Proposals should contain the following information:

- 1. Completed Organizational Profile – see attachment**

- 2. Description of Outreach Strategy – *Maximum 1 Page***

Please outline how you are planning to promote the program and to drive eligible youth to your application support site and to the online application.

Review and Selection Process

The Partner4Work Review Committee will score proposals based on the requirements outlined above. The number of proposals selected will depend on the availability of funding.

¹ Partner4Work will make determination based on data in the online application system. Eligibility must be verified by Partner4Work. In order to count, applicants must identify the application center on their application.
